Sobera Capital exits TM3 Software to proLogistik

Berlin, October 19, 2022 - Sobera Capital's portfolio company TM3 Software GmbH, Regensburg, has been sold to proLogistik GmbH, a portfolio company of enterprise software investor Elvaston. proLogistik acquired 100% of the shares from the existing shareholders as part of their buy-and-build strategy. TM3 offers professional logistics software for small and medium-sized companies and has achieved strong customer, revenue and earnings growth in recent years. The company's site in Regensburg will be retained.

Sobera Capital divested from S-Refit EFRE Fonds Bayern GmbH which had been invested in TM3 since a combined secondary/Series A-transaction in 2011. In total the deal generated a multiple of more than 17x on the investment for the fund.

Sobera Capital is a Berlin based independent secondary direct investor with a focus on growth and small-cap funds and assets in ICT, Industrial Technologies and Healthcare / Life Sciences. Find more information at www.sobera-capital.com.
